Special/dietary requirements:

The MS Trust in partnership with Hobbs Rehabilitation is organising an MS study day for health care professionals who have an interest in MS and manage an active clinical case load

The day will provide health professionals with an understanding of important issues relating to the care of people who are affected by MS

Please complete both sides of the registration form and return it to the address below. Alternatively, you can book online. Go to: www.mstrust.org.uk/studydays

Early bird booking discount available if booked and paid before 1 April 2014

Please pass the details onto any colleagues who may be interested in attending (photocopied registration forms are accepted)

Professional development

The MS Trust develops and runs a programme of educational events on a wide variety of topics relating to MS. We hold our events across the UK and offer study days as well as advanced courses and masterclasses for specialist MS practitioners. If you are a health or social care professional and work with people with MS, we hope one of our educational events will meet your needs.
