ADVICE LINE UPDATE

11th August 2022

Dear Friends

There was an error in the last communication. Please disregard this and use the information that follows.

Please be aware that the MS Advice Line email address has changed and is now ouh.ms@nhs.net

The MS Advice line number remains the same : 01865 234461

If you receive your MS nurse support from Sue Barnden, Community Neurology Specialist Nurse - MS, then please do not use the above number or email. Sue can be contacted direct via the community neurology specialist nurse service which is based at Oxford Centre for Enablement on:

Tel: 01865 737465

Email: ouh.cnsns@nhs.net

Please be aware that due to staff vacancies across both services there may be a delay in responding to your enquiry. When leaving a message on the answerphone please provide your hospital or NHS number as this helps us to locate your up-to-date health record which helps us when we ring you back.

Best wishes

Sue Barnden, Community Neurology Specialist Nurse - MS
